Nominator's Recommendation Comments:

Corinne Cassini has my full endorsement to become an ATI Sponsor. As a teacher she has a clarity and deft ability to help her students move and think with balance, ease and improved coordination. She trains new Alexander Technique teachers well. I have taught and sponsored several of them and can attest to their competency. In addition, and very important, I think, for ATI Sponsors, she has been a very active member of ATI. She has chaired several committees, and served on several other committees with discipline, hard work and a spirit of support and cooperation. As a sponsor she will be able to contribute even more to the profession of Alexander Technique teaching.
